All Full and Associate Members (for information)**

**INVITATION TO PARTICIPATE IN THE RESEARCH PROJECT OF THE WMU
STUDENT SPONSORED BY ICS**

Action required: Members are invited to note that an ICS-sponsored student at the World Maritime University (WMU) has prepared a questionnaire for completion by shipping companies on the subject of seafarer training, and to share the invitation to participate and link to the questionnaire with their member companies as appropriate.

Members will recall that ICS sponsors a student to complete a Master's degree programme at the World Maritime University (WMU). The current candidate is Mr. Teshale Negussie, who is preparing his dissertation on the subject of seafarer training. It is anticipated to be entitled: "Industry-academia collaboration for optimum seafarer education and training".

Members are invited to note that Mr. Negussie is seeking to collect information from shipping companies as part of the research by means of a questionnaire. It can be accessed via the following link:

https://docs.google.com/forms/d/1AHsfXVBKBv-JJcSfpv4C5PYvmgPd_WmloFmUEekwF0Q/edit

As provided by Mr. Negussie, further information about the project can be found at **Annex A**, and the consent form for participants is included at **Annex B**.

Members are invited to share the above link to the questionnaire with their member companies as appropriate and invite them to complete it if possible.

Any questions or comments should be addressed to the Mr. Teshale Negussie (w1903504@wmu.se) or the undersigned (Natalie.shaw@ics-shipping.org).

Information on Project

This is a dissertation to be submitted to the WORLD MARITIME UNIVERSITY in partial fulfillment of the requirements for the reward of the degree of MASTER OF SCIENCE in MARITIME AFFAIRS specializing in MARITIME EDUCATION AND TRAINING.

Dear Sir/ Madam

I am Teshale Negussie, studying for a Master of Science degree in Maritime Affairs at World Maritime University in Malmö, Sweden. I am working on a dissertation titled "Industry-academia collaboration for optimum seafarer education and training". The dissertation focuses on how shipping companies and maritime education and training institutions can collaborate for optimizing seafarers' education and training programs.

To complete the dissertation I would really appreciate it if you could dedicate 25 minutes to tell me opinions in response to the questions.

The information provided by you in this survey will be used for research purposes only and the results will form part of the dissertation, which will be published online and made available to the public. Your personal information will not be published. You may withdraw from the research at any time, and your personal data will be immediately deleted.

Anonymized research data will be archived on a secure virtual drive linked to a World Maritime University email address. All the data will be deleted as soon as the degree is awarded. Your participation in the interview is highly appreciated.

If you have any questions or concerns about the survey, please do not hesitate to contact me at w1903504@wmu.se. If you would like to follow - up on your responses with an interview, this will be welcomed.

Thank you for your time and collaboration.

Teshale Negussie
