Output: Not applicable

Action to be taken: Paragraph 15

Related documents: CCC 6/1 and as specified in the text

Agenda item 1 Adoption of the agenda

CCC 9/1	Secretariat	Provisional agenda
CCC 9/1/1	Secretariat	Annotations to the provisional agenda
CCC 9/1/2**	Secretariat	Arrangements for working and drafting groups during the session

1 The Sub-Committee will be invited to consider and adopt its provisional agenda (CCC 9/1). As agreed at CCC 8 (CCC 8/18, paragraph 15.5), ad hoc working and/or drafting groups on the following subjects are envisaged to be established during the session:

- .1 development of technical provisions for safety of ships using alternative fuels (agenda item 3);
- .2 amendments to the IGF Code and review of the IGC Code (agenda items 3 and 4);
- .3 review of resolution A.1050(27) (agenda item 8);

* Unless indicated otherwise, documents listed herein are those received or prepared by the Secretariat by the date of the present document.

** To be issued in due course.

- .4 amendments to the IMDG Code (agenda item 6); and
- .5 revision of the interim recommendations for carriage of liquefied hydrogen in bulk.

The final selection of, and arrangements for, the working/drafting groups to be established depends on the submissions received and will be advised (CCC 9/1/2) in due time before the meeting.

Agenda item 2 Decisions of other IMO bodies

CCC 9/2	Secretariat	Outcome of MSC 106, C 128, MEPC 79 and MSC 107
CCC 9/2/1**	Secretariat	Outcome of PPR 10 and MEPC 80

2 The Sub-Committee will be informed of relevant decisions made, and actions taken, by other bodies of the Organization and will be invited to take action, as appropriate, under the relevant agenda items.

Agenda item 3 Amendments to the IGF Code and development of guidelines for alternative fuels and related technologies (2.3)

CCC 9/3**	Germany	Report of the Correspondence Group
CCC 9/4/Add.1**	Marshall Islands	Report of the Correspondence Group

3 The Sub-Committee will be invited to consider the report of the Correspondence Group on Development of Technical Provisions for Safety of Ships Using Alternative Fuels and Related Technologies (CCC 9/3); relevant part of the report of the Correspondence Group on Amendments to the IGF Code and Review of the IGC Code (CCC 9/4/Add.1), together with any other relevant documents submitted to this session. A working group may be established to deal with the matter.

Agenda item 4 Review of the IGC Code (1.17)

CCC 9/4**	Marshall Islands	Report of the Correspondence Group
-----------	------------------	------------------------------------

4 The Sub-Committee will be invited to consider the relevant part of the report of the Correspondence Group on Amendments to the IGF Code and Review of the IGC Code (CCC 9/4), together with any other relevant documents submitted to this session. A working group may be established to deal with the matter.

Agenda item 5 Amendments to the IMSBC Code and supplements (7.13)

CCC 9/5	Secretariat	Report of the E&T Group (E&T 37)
---------	-------------	----------------------------------

5 The Sub-Committee will be invited to consider the report of the Editorial and Technical Group at its thirty-seventh session (CCC 9/5) and any other relevant documents submitted under this agenda item. The Sub-Committee is expected to instruct E&T 40 to prepare the draft amendments (08-25) to the IMSBC Code, for consideration at CCC 10. As instructed by MSC 107, the following matters are also expected to be considered under this agenda item:

- .1 amendments to the *Recommendations on the safe use of pesticides in ships applicable to the fumigation of cargo holds* (MSC.1/Circ.1264); and

** To be issued in due course.

- .2 annual listing and real-time updating of solid bulk cargoes not listed in the IMSBC Code but shipped based on provisional assessments (tripartite agreements).

Agenda item 6 Amendments to the IMDG Code and supplements (7.10)

CCC 9/6**	Secretariat	Report of the E&T Group (E&T 38)
CCC 9/6/1**	The United States	Report of the Correspondence Group

6 The Sub-Committee will be invited to finalize the draft amendments to the IMDG Code (amendment 42-24) and supplements, including harmonization with the UN Recommendations on the transport of dangerous goods, based on the report of E&T 38 (CCC 9/6) and any other documents submitted to this session relevant to the agenda item. The Sub-Committee is also expected to consider the report of the Correspondence Group on Review of Transport Provisions for Vehicles (CCC 9/6/1), together with any other relevant documents submitted to this session. The Sub-Committee is expected to instruct E&T 39 to finalize the text of the draft amendments (42-24) to the IMDG Code, for consideration at MSC 108, with a view to adoption. A working or drafting group may be established to deal with the matter.

Agenda item 7 Revision of the Interim recommendations for carriage of liquefied hydrogen in bulk (2.25)

7 The Sub-Committee will be invited to consider the relevant documents submitted to this session. A working or drafting group may be established to deal with the matter.
